PROFESSIONAL RATES

Prices in euros appended to the T&Cs of the Olky Pro v7.6 account

1 PREAMBLE

The Olky Pro Account is a service of Olkypay Payment Service Provider SA «Olkypay», an approved payment institution subject to the prudential supervision of the Luxembourg Financial Sector Supervisory Commission «C.S.S.F.» and authorized to operate in France in free establishment by the Prudential Control and Resolution Authority «A.C.P.R.» and in Belgium under the freedom to provide services.

The operating methods of the Olky Pro Account are governed by the General Conditions of Use «Olkypay T&Cs» to which these «Professional Rates» are attached.

The opening of the Olky Pro Account is made through the Iban Express services, the terms of which are governed by the General Conditions of Use «Iban Express T&Cs».

The Olkypay T&Cs and the Iban Express T&Cs have been brought to your attention prior to your entering into relationship with Olkypay and may be downloaded at any time from the website www.olkypay.com. They must be read and approved before any request to open an Olky Pro account.

The Olkypay T&Cs and the Iban Express T&Cs have been brought to your attention prior to your entering into relationship with Olkypay and can be downloaded at any time from the website www.olkypay.com.

They must be read and approved before any request to open an Olky Pro account.

The Olky Pro Account is a payment account intended for professionals allowing the reception and execution of payment transactions under these pricing conditions.

Value added tax regime:

General case: The payment services provided by Olkypay are exempt from value added tax.

Special case of services provided by Olkypay which do not fall within the scope of the general case: When the lessee is not subject to value added tax or when he resides in Luxembourg, the applicable VAT rate is 17%. When the policyholder is subject to VAT, resides in one of the countries of the European Union except Luxembourg and that his valid VAT number has been communicated to Olkypay, the non-exempt services are subject to the reverse charge mechanism, in accordance with Article 196 of the Council Directive of the European Union 2006/112/EC.
